

‘ I get to work with a group of amazing, passionate, driven young people who inspire me time and time again ’

Janet

State Coordinator

**Victorian Indigenous Youth
Advisory Council - VIYAC**

What I do: I coordinate the VIYAC, a state-wide network of volunteer Indigenous young people who provide a voice to government and community on issues of importance to them. A large part of my role consists of arranging regular meetings, networking, organising presentations, events, publications, and to keep VIYAC moving forward.

What I love about my job: I can honestly say that I love my job. The fact that I get to work with a group of amazing, passionate, driven young people who inspire me time and time again, is just fantastic. Working within my culture is something I will always do; it is what drives me. I feel if I can make a small or large amount of positive change than I will have succeeded.
